Miki, we actually came in contact with five SUV's behind the staples. We advised them of the complaints and the issues they are creating. Please have your tenant continue to monitor the parking... Ruben

Hi Guys,

I want you to know I just spoke to your senior lead officer for the east side. They were just behind BofA and there were two limos (oddly the had to go when Officer arrived). Officer Abskharon will ask for some extra patrols...hopefully 6 am to 8am and they will let theses limo drivers know they may not stage on this property and that there are trespass authorizations filed (Don?) on all properties in the BID Boundaries and therefore they may not loiter, smoke, drink coffee and dump trash on any of the private lots in Westchester.

Hopefully we'll have a meeting with the LAWA next week to get this limo, taxi and Uber thing under control!

Thank you all for working together!

Miki
